Employee Name		Amount Donated by Employee	\$
Employer Name		Amount Donated by Employer	\$
Does your company use a third party Giving Portal like Benevity.com to process payments? If so, who?			PTO USE: CM TOTAL

**What is Pledgestar?** Pledgestar is an awesome web based fundraising system that makes it easier for you to request pledges from your family and friends, and for them to make a secure credit card donation online. It's fun, it's easy, and people who use it typically raise twice as much as those who don't.

- Go to <http://pledgestar.com/pacificrim>
- Click "Not Registered For This Year's Event"
- Enter your name and email address, then click "Submit"
- Follow the instructions on-screen to register students

When you finish, the system emails pledge requests to your family and friends, and allows them to make secure credit card donations online. You get notified each time a pledge is made, and you can track your pledge progress online.

**Why donate to Jogathon?** It helps pay for Science Labs & Science Day, New Technology, Art teachers, Credentialed Assistants, PE Teacher, Field Trips, Garden, Your Readers Program, Class Supplies, Grade Field Days, Student Planners, Playground Pals! For more information on PTO budget and programs, please visit [www.pacrimpto.com](http://www.pacrimpto.com).

**How many laps do students usually run?** Most students average about 30-40 laps during the one-hour run. Kindergartners tend to run on average 20 laps and our top runners have run as many as 60+.

**How long is the course?** Each year, our Jogathon Dads and Field Team use a measuring tool to map a 1/8-mile course on the field.

**When do we collect money?** All money is collected **after** the Jogathon. You will receive your sponsor sheet back with your lap totals and a collection envelope to collect money after Race Day. Students will also have an opportunity to get additional sponsors and raise their prize level.
